To Whom This May Concern,

I am writing this as a letter of recommendation for Molly Schweitzer. I am the music student teacher supervisor for the University of Mary, Bismarck, ND.

I have not known Molly for a very long time, but I have had numerous opportunities to observe her in the classroom setting. I have seen her to be confident and proficient in front of large group rehearsals along with small group classroom settings. Molly has command of her classroom and her students respect her and respond positively to her teaching.

As a former music teacher myself, I see Molly as being proficient in vocal music pedagogy. She understands music style and interpretation. Her groups sing with emotion and understanding. Molly easily communicates with her students and they are comfortable with her teaching style. I believe future students of Molly's will relate well with her and will enjoy being in her classroom.

I have spoken with vocal director Mike Seil, Legacy High School, Bismarck. He is Molly's cooperating teacher and speaks very highly of Molly. I have spoken with two other vocal directors at Legacy and their comments have been very positive. I'm confident if you contact the vocal department and Mr. Seil at Legacy, they will affirm this and tell you Molly has been a welcome addition to the staff at Legacy.

I highly recommend Molly Schweitzer as an individual and a musician. I believe she will be a welcomed addition to any school that has the opportunity to hire her. She will be a strong addition to any staff.

Thank you.

Sincerely,
