To Whom It May Concern:

It is absolutely my pleasure to recommend Molly Schweitzer for a teaching position upon the completion of her student teaching experience. I have had the pleasure of working with Molly as my student teacher for the past seven weeks at Legacy High School. During this time, she has solely directed Prep Choir 2 and Prep Choir 3, in addition to working with the Concert Choir, Prep Choir 1, 9th Grade Choirs and the Evolution and Gold Standard Vocal Ensembles. Molly has also taught several lessons in the demanding AP Music Theory course. In this time, Molly has proved that she is exceptionally skilled as a musician as well as a teacher. Her devotion to her own learning as well as the development of her students serves as a significant positive influence on the entire choral department.

Molly's most significant accomplishments at LHS have been her work with the Prep Choirs 2 & 3. She began directing each of these ensembles on the first day of her student teaching experience. In anticipation of this, Molly chose their entire set of repertoire for their upcoming March performance. Her skilled direction and self-confidence is clearly heard and seen in the voices and faces of her singers as they finish preparation for this concert.

It is very clear that Molly is soon to be a magnificent teacher. However, I would also recommend that you consider Molly for the fact that she is a wonderful person and colleague. She will be a tremendous asset for any school in which she is employed. If you need any further information regarding Molly Schweitzer, please feel free to contact me at any time.

Sincerely,
