To Whom It May Concern,

It is with great confidence that I recommend Miss Molly Schweitzer for your open position. During her time student teaching with the Legacy High School Choir Program, she has demonstrated passion, knowledge in content area, drive and integrity.

Among Miss Schweitzer's many qualifications, her professionalism is unparalleled. Additionally, she consistently holds herself to a high standard when it comes to her reflection in the classroom and when working with students individually or in small groups. Her students respect her content knowledge and her well thought out instruction and planning in the classroom.

Miss Schweitzer presents herself in a gentle and reassuring manner in the classroom. It is my professional opinion that this will be a great asset in any program. Her overall ability to keep calm and collected in stressful classroom management situations are impressive to say the least.

It is evident that Miss Schweitzer will not stop at any length to ensure her students are treated with respect and fairness using a strong teaching philosophy as her driving force in the classroom. Miss Schweitzer has been well prepared and is ready to enter in the professional teaching world. I would be fortunate to consider her a colleague in the music education field.

It is for these reasons and more that I highly recommend Miss Schweitzer for your program. Please feel free to contact me for further clarification or discussion of this recommendation.

Sincerely,
